**CATEGORY:** Financial Operations

### **ATHABASCA LANDING POOL SCHOOL SWIM PROGRAM ASSISTANCE**

#### **BACKGROUND**

The Council of the County of Athabasca deems it appropriate to encourage the use of the Athabasca Landing Pool by schools within the County of Athabasca.

County Council therefore agrees to allocate funds in the annual budget to subsidize pool rental and school bus costs.

#### **PROCEDURE**

1. Each year during budget deliberations, Council will consider the inclusion of the Landing Pool School Assistance program in the Budget.
2. Funds will be allocated to assist with the cost of one bus from each school to travel to the pool approximately 8 times, and also to offset pool rental costs.
3. At the beginning of the school year, County Administration will correspond to the principal of each school indicating the amount of financial assistance available for each particular school.

Upon receiving a written commitment from the school principal that all funds received will be used to provide a school sponsored swimming program at the Athabasca Landing Pool, funds will be forwarded to the school.

4. If it is determined that the funds were not used for a swimming program at the Athabasca Landing Pool, the school shall be ineligible for funds in the following year. Schools will be requested to utilize funds already paid as agreed upon or to return said funds to the County of Athabasca.
